Percentage fees to the trustee are paid on receipts of plan payments at the rate fixed by the United States Trustee. The trustee has the discretion to adjust, interpret, and implement the distribution schedule to carry out the plan, provided that, to the extent the trustee seeks a material modification of this plan or its contemplated distribution schedule, the trustee must seek and obtain prior authorization of the court. The trustee shall follow this standard plan form sequence unless otherwise ordered by the court:

- The provisions for payment to secured, priority, and specially classified unsecured creditors in this plan shall constitute claims in accordance with Bankruptcy Rule 3004. Proofs of claim by the trustee will not be required. In the absence of a contrary timely filed proof of claim, the amounts stated in the plan for each claim are controlling. The clerk shall be entitled to rely on the accuracy of the information contained in this plan with regard to each claim. Unless otherwise ordered by the court, if a secured, priority, or specially classified creditor timely files its own claim, then the creditor's claim shall govern, provided the debtor(s) and debtor(s)' attorney have been given notice and an opportunity to object. The trustee is authorized, without prior notice, to pay claims exceeding the amount provided in the plan by not more than \$250.

Upon payment in accordance with these terms and entry of a discharge order, the modified lien will terminate and be released. The creditor shall promptly cause all mortgages, liens, and security interests encumbering the collateral to be satisfied, discharged, and released.
- 8.10 The provisions of Sections 8.8 and 8.9 will also apply to allowed secured, priority, and specially classified unsecured claims filed after the bar date.
